HIGH POINT HORSE CONTEST/PRIZE INFORMATION & CONDITIONS

QUALIFIED CLASSES - NRHA CLASSES ONLY:

All NRHA classes qualify for the High Point Horse award. NRHA aged event classes, youth classes, prime time and masters classes are included - all NRHA classes qualify. GWRHA class entries (Ladies/Gents/Stallions/Geldings/Mares) do not qualify for inclusion.

QUALIFIED SCORES:

The scores from each money earning placement in all of the above Qualified Classes will be counted towards the High Point Horse award. Only money earning scores are awarded points. Points are awarded based upon and correspond to the score (e.g. a money earning score of 69 is awarded 69 points). Scores in multiple judged events will be divided by the number of judges with no rounding of fractions (e.g. a two judge score of 140.5 will receive 70.25 "points"). Multiple class entries in concurrently run Qualified Classes are counted (e.g. a money earning score in both the Non Pro and Intermediate Non Pro classes count twice - both scores would count if both place "in the money").

HIGH POINT HORSE:

Scores are accumulated for each horse, regardless of rider (whether Non Pro, Open, Youth or Rookie). Each horse with a money earning placement by any legal rider in any Qualified Class will have that score added to its cumulative overall high point score. The High Point Horse is the horse with the highest accumulation of points at the end of The Best Little Derby in the West horse show.
